## Premium, Long-term Unlimited Service

Sportique PLUS is more than just an extended warranty or prepaid service plan. It's both! Additionally, the PLUS Plan provides enhancements to your factory warranty, continuing discounts on parts and accessories and a special reduced rate for Sportique's exclusive Mobile Service. Please read on to see why Sportique PLUS is such a wonderful product you can't afford to pass it up.

- Double or triple your factory warranty from 1 or 2 years to 3 or even 4 years!
- Basic scheduled services. Most plans require them and want you to pay for them - we make them part of the PLUS Plan. **Free scheduled services at 500, 1500, 3000, 5000, 7000 and 10,000 miles.\***
- **10% off all parts, accessories, engine oils and performance components** as long as your PLUS Plan lasts!
- **FREE labor costs** for the replacement of tires, brake pads, belts and bulbs. Purchase the parts you need at the 10% PLUS Plan discount, and we will install them on for free.
- **\$25 mobile service** (a \$50 savings) within metro Denver. Just call us and we will set up an appointment to see your scooter within the following 7 business days. **FREE pick up** within Boulder and Colorado Springs for incapacitated scooters\*\* Call and set up an appointment to have your scooter picked up the following Wednesday!\*\*\*
- Sportique plus is **100% transferable** within the Denver, Colorado Springs and Boulder areas - that means better resale value than scooters purchased anywhere else.
- Receive a **FREE tire guage and battery charger** (you can also upgrade to a Battery Tender Jr. charger for \$20).
- **\$50 store credit** when you complete any certified rider safety course.
- The Sportique PLUS Plan is also **available on "fresh" used scooters**, scooters with under 2000 miles and current production models from manufacturers we carry.

Here's some stuff that **IS** covered by Sportique PLUS that nobody will cover under any other extended service plan:

- Piston, rings and cylinder (stock components only).
- Scooters with performance components, not the components themselves.\*\*\*\*
- Fuel system and carburetor, including storage-related issues such as gasoline "gelling".
- Shocks. Nobody covers shocks. We will.
